

Dear Members of INWES,

Wherever in the world this message finds you, we hope you're doing well.

We're delighted to reconnect with our global community and share the latest newsletter from the world of women in science and technology.

As a reminder, these newsletters are sent to the key contacts at our organizational members. We would be grateful if you would share this information onwards to your own members, as a forwarded email, on your social media, or as embedded in your own newsletters.

Welcome to INWES Newsletter No.43!
